

### Child Dedication Form

A true believer is someone who has personally accepted Jesus Christ as their Lord and Saviour. This is a decision each of us must make for ourselves. As such, EastRidge desires to work with parents who are believers and who attend our church in encouraging the spiritual growth in their children towards that personal decision.

We hold that a parent who is a true believer should publicly dedicate themselves to raising their children in such a way as to lead their child towards becoming true believers themselves. In turn EastRidge dedicates itself to helping the parent in this journey. EastRidge also believes that only a parent who has made a personal decision for Jesus Christ can model a Christ-filled life and make this public promise to raise a child for God. As such only this parent may be part of the dedication.

We are excited that you are pursuing dedicating your child. If you are in agreement with the above, please return this form to the office or to a pastor directly. We will arrange a time to meet.
