

To Asia, With Love

Tim and Samantha Gordon

September 2017

There is some exciting news.

The lady leading this prominent Chinese temple in our city accepted Christ! She shared her personal encounter with Jesus with her temple followers. They thought she'd gone crazy! She continues to live on the property, but is now serving Jesus. Please pray for her protection and deep establishment in Christ!

We, the Gordon family, recently went to Vietnam to renew our Thai visas. The school we receive our visa through required us to exit Thailand. The visas were under Samantha's name, adding pressure to her already busy life. Making the trip was necessary in order to relieve her from this burden, and allow Tim to fully carry it.

Tim is now learning to read Thai consonants and vowels. Thai is considered by many to be one of the hardest languages to learn, and isn't similar to Chinese in spite of also being an Asian, and tonal language! Learning Thai not only provides a visa for our family, but is also essential for us to disciple, train and share Jesus with locals. ***Please pray for grace to learn the language quickly.***

The group of local university students, led by a young Thai couple, continues to meet regularly. God is still raising these young leaders up to be passionate for Christ, and represent Him as citizens of this country. Tim has the

honor of participating, to see God move and bring new life to this young generation of Thais! May they change the future of this unreached nation!

2 Cor. 2:14 ... Thanks be to God, who...through us spreads everywhere the fragrance of the knowledge of Him.

Honestly, the last two and a half years have been hard for us. Sometimes it feels like loss of friends and church attendees, circumstantial transition of ministry help away from our city, and health issues (to mention a few challenges we've faced) are more numerous than success stories. We carry on believing He called us here for a purpose. It's not uncommon for pioneers face trials, but it's certainly not easy! In spite of this, good things are still happening, and His abundant love gives us strength to carry on in pursuit of Him and His purposes.

Your prayers, encouragement, and support are key to helping us continue, so thank you so much for your faithfulness!
