

Joel, Lara & Liam Knights – Serving in Belgium with Operation Mobilization Canada

January 2017 – Update

We hope this email finds you well after Christmas and New Years! We wanted to share with you an exciting new endeavor we are pursuing here in Belgium.

Joel is starting a SAT prep class at Le Catalpa (the church and community centre that we serve with) for students who would like to study in the USA. He will assist students in preparing for the exams and helping them improve their English so that they have a better chance at success. Through this, he will be able to build relationships with students and hopefully be able to share the Gospel with them.

But we need your help! We are looking to create a promotional piece so that we can advertise these classes. We are looking for someone with this skill set to design one for us. Are you creative and willing to help? Do you know someone who is? Please let us know!

February 2017 – Update

Thank you to everyone who offered help in designing a promotional piece for the SAT/ACT prep class that I am offering at Le Catalpa in March.

We have designed a print version that will be handed out to our current students, people in the neighbourhood, as well as at sports clubs in the neighbourhood for students who may want to play and study in the US.

If anyone has suggestions or tips about studying and preparing for these tests, I would love to hear your ideas. The service we want to provide is to help prepare students to take the test in English and to help them know how to study. We want them to be as best prepared as they can be!

Please continue to pray for students to show interest and for the preparation that is involved!
