MISSIONS

Dan & Kerry Weins, EMCC World Partners Missionaries serving in South Africa, Inundo Project "Farming God's Way"

In April of this year we were able to contribute funds from the EastRidge Investment Fund to the purchase of property for a "Farming God's Way" training facility. Although they were not able to purchase the original farm land that they had hoped for, they were able to find another location suitable for the project. We are celebrating along with Dan & Kerry the purchase of an 8 acre piece of property in Assagay community just outside Durban, South Africa. A short video of the property will be shown during the service TODAY. Please continue to pray for Dan & Kerry.
